Rocky Mountain Mustang Roundup

Registration opens Jan 1st

If you haven't heard yet, the 2021 Rocky Mountain Mustang Roundup will be held in Colorado Springs. The host hotel will be the Hotel Elegante 719 576-5900 with most room rates being \$139 / night. Things will start on June 13th at Bandimere Speedway. At this point we do have something scheduled each day in Colorado Springs and all from the host hotel. The Scenic Tour will be on Wednesday June 16th because we will have an Open Track Day at Pikes Peak International Raceway on Thursday June 17th. Friday the 18th will be the Auto Cross and it will also be held at PPIR. The Show n Shine will be on Saturday the 19th on the grass at Memorial Park about 3 miles from the Elegante Hotel. Download the 2021 Schedule of Events to see what we have planned.

Please check the www.rockymountainmustangroundup.org website as we are updating and posting 2021 documents as they are finalized. If you have questions (as we will be at a new venue with many new events being included), please respond to this email with your questions or check our FAQ pages on the website.

For all that left their 2020 registration to be used for the 2021 RMMR, we will be reaching out to you individually with your current 2021 registration confirmation hopefully on or before December 14th. Do look for those emails. At that point we will work with each registration on updates or changes.

We have put up much information on the www.rockymountainmustangroundup.org site. If you have any further questions, please send an email to (bob@protsys.com) or give Bob or Jo a call (303 430-0433). Registration will open January 1, 2021.

See everyone June 2021 in Colorado Springs for the 33rd Annual Rocky Mountain Mustang Roundup
