

Trailer Parking Areas at PPIR

Trailers can be parked in the West Parking Lot area starting on Thursday, June 13, 2024.

Trailers can stay in the West Parking Lot area until Friday through the RMMR Autocross.

All RMMR related trailers will need to be moved to the Trailer Parking Areas in Cripple Creek, CO after the RMMR Autocross.

Trailer Parking at Cripple Creek

There are two main areas in Cripple Creek where trailers can be parked.

The area to the South of the City of Cripple Creek is private property and has been provided by the Freeman family to RMMR participants as an area where trailers can be parked. Please only park on the West side of the road in the triangle shaped area. The road to this location is a dirt road.

The second location is a dirt parking lot just North of the Train Depot. This property is owned by Raymond Blake. He has provided this parking lot as additional trailer parking.

Close up Map of the Southern Trailer Parking Area

To get to this Trailer Parking location turn South on 4th Street. Follow 4th Street south out of town. Before 4th Street takes a turn to the right you will see the dirt road to the left that is the entrance to the property.

The Map shows containers on the south end of the upper parking area. Those containers are no longer there. That area is available for parking.

Close up Map of the Northern Trailer Parking Area

From N Fifth Ave. turn East onto Carr St. This is the same street that you would turn on to go to the Train Depot. Once on Carr St. take the immediate left turn into the north parking lot and continue North to find parking in the upper North area of that parking lot.
